AGENDA

8:30 am – 9:00 am

Registration and Buffet Breakfast

Kick-start your day with a healthy, hot breakfast served complimentary. Badges and workshop materials will be available at this location.

9:00 am – 9:15 am

Welcome & Introductions

Since our workshop is collaborative and interactive, we want to kick-off the day understanding your unique blended learning objectives. Our team will ensure we personally hit upon your unique circumstances as we advance you through innovative thought leadership on blended learning.

9:15 am – 10:00 am

Blended Learning Keynote

Presented by: Jin-Soo Huh, personalized learning manager, Alpha Public Schools

Learn about the actual application of blended learning through the experience of Jin-Soo Huh. Jin-Soo has refined the personalized learning model and has supported educators in implementation in programs across the country. Jin-Soo's experience implementing personalized learning will leave you with the tools you need to apply his best practices to your program.

10:00 am – 11:00 am

Speed Collaboration – Share, Discuss, Learn

Collaboration is key! In this session, you will have the opportunity to share in a speed collaborating process your ideas with blended learning while learning from experts in thought provoking topics.

11:00 am – 11:45 pm

Leadership Panel Q&A

With many great examples to share, we will host a panel of leaders in various levels of the blended learning process and in various modalities of learning centers, from charter schools and private schools to brick and mortar comprehensive buildings shifting to blended, you will have the opportunity to hear their stories and ask more detailed questions to gather and share ideas.

- Christie McCormack, online coordinator, Bend La Pine SD
- Laura Blair, director of special services, Klamath County SD
- Mindy Barron, technology coach, Hermiston SD
- Sherry Connally, teacher, Tenino SD

11:45 am – 12:30 pm

Buffet Lunch – *Time to re-fuel!*

12:30 pm – 1:45 pm

Hands-on Stations

How do schools transition their master schedule? How do leaders manage the digital resources teachers and students are using? And why is data so important in a blended learning environment? Put your hands on tools and resources to help you best understand how these practices and others come to play in blended learning.
