# AGENDA

**9:30 am – 10:00 am    Registration and Buffet Breakfast**
Kick-start your day with a healthy, hot breakfast served complimentary. Badges and workshop materials will be available at this location.

**10:00 am – 10:15 am    Welcome & Introductions**
Welcome!  And… introductions – that includes you.  Since our workshop is collaborative and interactive, we want to kick-off the day understanding your unique blended learning objectives, and what you want to accomplish during the day.  Our team will ensure we personally hit upon your unique circumstances and briefly cover the basic models of blended learning.

**10:15 am – 10:45 am    Blended Learning Keynote:**
*Presented by: Allison Powell, Former VP for State and District Services/New Learning Models of iNacol*

Based on research and best practices, you will learn about how personalized learning can be successful for students and school-systems

**10:45 am – 11:15 am    Collaborative, Small Group Discussion**
Collaboration is key! Hearing first hand from other attendees and in a small group discussion format, we will focus on key components to a successful blended learning implementation and how they can be effective in meeting the goals and challenges you face in your district.

- Session 1: Creating an effective model for blended learning through the change in SPACE and TIME.
- Session 2: How to be an effective leader moving to shape blended learning in your school.

**11:15 am – 12:00 pm    Keynote Guest Speaker:**
*Presented by:  Aretha Rhone-Bush, Executive Director of Secondary School Governance, Savannah-Chatham County Public Schools*

What does it take to provide access for all students to online and blended learning options to meet a variety of educational needs? Learn how a district created a highly flexible and scalable model for success for teachers and students through district wide offerings to over 3,000 students and 31 schools in the district. Learn tips for how your schools can be highly individualized, preparing students for both on-line and future college level courses as well.

**12:00 pm – 12:45 pm    Buffet Lunch – Time to ReFuel!**

**12:45 pm – 1:30pm**  **Collaborative, Small Group Activity –bring your creativity**!
Each and every phase of creating a successful blended learning program is important, but how do they all tie together? Is there any particular phase more important than the other? We'll conduct a hands on activity that identifies key elements of a blended learning program and discuss why or why not each is equally important as the other

**1:30 pm – 1:45 pm**  **LearnBop – Math Tutoring in a Blended Setting**
*Presented by: Bharani Rajakumar, CEO & Founder,  LearnBop*

Do you find yourself with a constant struggle of math students who just can't grasp the concepts? Do you often wonder if there are other ways to reach the students that would be more impactful and individualized? During this session we'll learn more about LearnBop and the math remediation tools available.

**1:45 pm – 2:15 pm**  **Small Group Discussions**
During this time we will dive deeper into implementations allowing you to focus where it's best suited per the unique needs of each attendee. Select the 2 sessions we will rotate through that meet your needs during this time.

- Session 1: Expanding Opportunity through Blending – making the shift to expand course offerings using technology.
- Session 2: Who's your Who and What's your What? – Who is your program serving and what are your goals?  What pieces do you need to have in place to both serve and achieve?

**2:15 pm – 2:30 pm**  **Debrief and Final Thoughts – Optional Demo with FuelEd Account Managers**
Want to learn more and see how FuelEd products can help fuel your blended learning program? Stick around for 1:1 demo sessions with our National Account Managers.
